

Welcoming Our American Heroes

★ Honor Flight at Reagan ★

Our mission is to ensure our that our nation's heroes receive the "Heroes' Welcome" that they so richly deserve when they arrive in Washington, D.C. and are provided with all that they need to make their trip to the Nation's Capital an unforgettable day in their lives.

The Honor Flight Network (www.honorflight.org) is organized to bring WWII, Korean War, and Vietnam War Veterans from around the country to visit their Memorials (and other sites) in Washington, D.C.. The DCA Ground Crew is there to receive them as they arrive, simply as regular citizens just like you to say "welcome" and "thank you for your service."

We Need Your Help!

Bring yourself, your friends, your family, your band, your organizations, or your Scout Troops to greet our Veterans as they arrive.

Contact us to make a difference. Thank you for your support!
